CASE NO. PBBA23001 – Request a variance for a wood front porch. (*Ordinance 22.012, Sec. 25-12*)

Victoria Keating, 24915 Junior St., purchased this house with wood front porch. She wants the Trek product because it is maintenance free and it looks like wood. She has white vinyl siding on her house. She is not looking to change the footprint. She said it is better esthetically.

Vitale asked if there is a 42" footings. Manuel Poulsen, contractor, stated "yes". Vitale asked about the skirting. Poulsen stated that it would be a solid skirting.
